

## CARMEL & VANILLA

The base aromas that make up the Carmel & Vanilla fragrance composition create the perfect depth of the fragrance. The right proportions of warm musk with raw patchouli and the woody-resin aroma of cedar make the fragrance extremely deep and intriguing. The heart of the fragrance consists primarily of various types of spices and herbs such as black pepper, notes of dill and cloves. The whole is perfectly emphasized by fresh elements of bergamot and subtle lavender. The smell is fresh with a hint of sharpness and smoke.

### Packaging:

500 ml bottle (9 pieces in a box)

### Contains:

Isopropyl alcohol 90%, fragrance compositions, oils.

### Warranty/Expiry date:

3 years from production date.

### Leaflet version and date:

06.2023, EN rev. 1
