

ICE TOUCH

The longest-lasting notes in the composition are the warm and enveloping base notes, which create a fusion characterized by sweet tonka bean, warm and elegant cashmere and sandalwood, which are spiced with a resinous note of cedarwood. The floral heart of the fragrance consisting of aromatic violet and white flowers with the addition of rose is the perfect complement to the composition. The main part of the fragrance that we feel immediately after getting to know the fragrance are sweet and clean top notes, intertwined with citrus nuances

Packaging:

500 ml bottle (9 pieces in a box)

Contains:

Isopropyl alcohol 90%, fragrance compositions, oils.

Warranty/Expiry date:

3 years from production date.

Leaflet version and date:

10.2024, EN rev. 1
